

True or False ?

Round to estimate and approximate

4,832 + 1,299 is approximately 6,000

True

Both numbers have been rounded
to the nearest thousand.

4,832 has been rounded to 5,000

1,299 has been rounded to 1,000

So $4,832 + 1,299$ is approximately 6,000
